Reminder: FA Re-structure: What do you need to do as a club:

Every club, irrespective of which league you are currently a member of, must if you wish to be considered for membership of the new Step six or Step seven leagues, submit a written expression of interest (along with your current ground grading classification if known) by email to Laurence Jones, Head of National League System, NLS@thefa.com by 31st December 2018. This is a requirement for all clubs even if you are already playing in a step six or step seven league.

Remember a club applying for Step 6 may ALSO apply to put the reserves into Step 7. Any club applying for Step 6 and failing to be accepted, for whatever reason, will still be considered for Step 7.

Date for meeting ground grading and/or providing planning permissions for dispensation is March 31st 2019 (3 months after application date). Clubs given dispensation by the FA to complete work such as lights of which planning has been granted, will be March 31st 2021.
